Come Sleep With Us!

You could stay at any hotel in Portland. We're not just any hotel. We're the new and exciting **Inn @ Northrup Station** – all suites, way comfortable, and just steps away from eclectic Northwest Portland or the fashionable Pearl District.

When you walk in the door, you know this place is different. The colors are bright, the atmosphere light and upbeat. You're surrounded by plush furniture and captivated by original artwork. The **Inn @ Northrup Station** pays tribute to San Francisco's world-renowned boutique hotels, but maintains a distinctively Northwest flavor.

Every room is a suite, and anything but boring! Private decks, fully featured granite kitchens, stylish wet bars and luxurious marble bathrooms contribute to the ambiance. As our guest, enjoy complimentary continental breakfast in our bright, sunlit lobby. Check out the original glasswork by local artists as you read the morning paper at our sleek, street-side breakfast bar. In winter, warm yourself in front of the fireplace; in the summer, relax outdoors in our landscaped rooftop garden.

If you want access to all of Portland, the **Inn @ Northrup Station** is the best place to start. Just outside the front door a streetcar stops to take in passengers for the short scenic ride to Downtown. Lining the local sidewalks are nationally acclaimed restaurants, fashionable shops, award winning spas, world-class art galleries and inviting greenspaces. Whatever your interest, you'll find it nearby. If you'll be traveling outside the city, access to freeways is easy, quick and convenient. Our other outstanding features and amenities include:
